Presentation

Bill Miller, President of Infoworld, Inc., presented a program entitled "Document Storage: Technology Update."

Business Meeting

Minutes of the previous meeting were approved, as was the Treasurer's report.

Old Business

- Jim Fahey gave an update of the website. He has updated the addresses of all members on the website. He is also putting up a discussion board. When it is completed, you will be able to post a topic and anyone will be able to reply to your topic. You will be able to click on a topic and get information on that topic. Jim will e-mail everyone to let them know when that is ready.

- Fred reported on activities with the national AAA organization. National agreed that it would be fine to link our chapter website to the national website. National gave the following recommendations for quality speakers: Roman, Bob Gallagher, Steve Erickson, Mark Rosenburg and Don Scholl.
- Sally reported that there will be no joint meeting in May with chapters from other states, because there was not enough interest from the other states. Our May meeting will be held May 11. We may possibly invite the Indiana Chapter to our May meeting. Our July meeting will be held on July 20. Sally will try to get Roman for our September meeting, which will be on September 21.

New Business

- A discussion was held on whether or not we want to sponsor one of the breaks at the National Conference in June. All agreed that we will do this, up to \$300. Barb was instructed to notify Kim at National of this fact.
- The Nominating Committee will be headed by Fred. A slate of officers for the next year will be presented at the next meeting.
- Congratulations went out to Kim Tanner, who has passed the SPHR exam.

Next Meeting

The next meeting will be held on Friday, May 11, 2001 at the OSCP office in Dublin.
