### **Presentation**

Chris Hamrick, Ergonomics Consultant with the Bureau of Workers' Compensation presented a program entitled "Ergonomics in the Office Environment."

### **Business Meeting**

Minutes of the previous meeting were approved, as was the Treasurer's report.

### **Nominating Committee**

The Nominating Committee, headed by Fred, presented the following slate of officers for the upcoming year:

- President Candi Haas
- Vice President Jim Fahey
- Treasurer Tammy Boring
- Secretary Barb Walker
- Program Chair David Hill

Election of officers will take place at the July meeting.

John presented a token of appreciation to Tammy Boring for her many years of service to the organization as Treasurer.

It was suggested that we send a special invitation to past presidents to attend our July meeting, at no cost, as this will be our 10-year anniversary of the organization.

The next meeting will be held on July 27, in the Columbus area. Sally will look into facilities in the Easton area. She will hold approximately 25 rooms at a local hotel. She will plan a lunch at around noon, a speaker and business meeting in the afternoon, and then dinner at around 6:00 p.m.

### **National Activities**

A Guide to the Intranet has been published by National as this year's niche benefit.

The annual conference will be held in San Antonio next month. Our chapter will be sponsoring one of the breaks.

Fred attended a National board meeting two weeks ago, where they discussed next year's conference, which will be held in Tampa/St. Pete. They also finalized many plans for this year's conference. Fred also attended a recent MAP meeting. Fred described for everyone a firm in Atlanta which is "totally paperless" and explained that many firms are trying to move more in that direction.

### **Old Business**

Jim Fahey gave an update of the website and the Brain Exchange, and encouraged everyone to use these resources as much as possible. Jim is willing to post items to the Brain Exchange if you will just e-mail it to him as an attachment.

John plans to discuss our website at the conference in San Antonio, to generate more interest in it. Also, Kim will be putting an article about it in the next newsletter from the national organization.

Everyone who had submitted a question to the Brain Exchange had their name included in a drawing and Teresa Gardner's name was drawn as winner of a certificate for free attendance at a chapter meeting.

### **New Business**

John reminded everyone to continue to encourage new members to join the organization.

### **Next Meeting**

The next meeting will be held on Friday, July 27, 2001 at a location to be determined by Sally.
